37 C.F.R. 1.27  
STATEMENT OF STATUS AS  
A SMALL ENTITY-INDEPENDENT INVENTOR

Assistant Commissioner for Patents  
Box Patent Application  
Washington, D.C. 20231

Dear Sir:

The undersigned, Roy Shkedi declares that he is an independent inventor of the invention described and claimed in the foregoing application; that (1) he has not assigned, granted, conveyed, or licensed and (2) he is under no obligation or contract or law to assign, grant, convey, or license, any rights in said invention to any person who could not likewise be classified as an independent inventor under 37 C.F.R. 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 C.F.R. 1.9(d) or a non-profit organization under 37 C.F.R. 1.9(e).

The undersigned acknowledges that he has a duty to file a notification of any change in status of this application and any patent(s) issuing therefrom which

status prior to, or at the time of paying, the earlier of the issue fee or any maintenance fee due after the date on which the small entity status is no longer appropriate.

The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

**37 C.F.R. 1.27**  
**STATEMENT OF STATUS AS A**  
**SMALL BUSINESS ENTITY**

Assistant Commissioner for Patents  
Box Application  
Washington, D.C. 20231

Dear Sir:

The undersigned affirms:

That he is an officer of the assignee Almondnet Ltd. and is empowered to act on behalf of the assignee; the assignment is being filed concurrently herewith for recording;

That the above listed assignee, together with all of its affiliates combined had fewer than five hundred (500) employees including full-time, part-time, and temporary employees on the average during each pay period of the previous fiscal year of the assignee and its affiliates; and,

That the assignee has not assigned, granted, conveyed, or licensed, and is under no obligation under contract or law to assign, grant, convey, or license any rights in the invention to any person who could not be classified as an independent inventor under 37 C.F.R. 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business under 37 C.F.R. 1.9(d) or a nonprofit organization under 37

C.F.R. 1.9(e).

The undersigned acknowledges a duty to file, in this application or patents issuing thereon, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time or paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate.

The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful and false statements may jeopardize the validity of the application or any patent issuing thereon.

By.
